

ELECTRONIC PRESS KIT

VEYLOIRE RISING

Cebu-born. Global after dark.

**The direction**

VEYLOIRE RISING is a Cebu-based DJ project for considered after-dark rooms. The sound moves through Afro house, melodic house, tech house, and polished global selections.

Markets

Philippines and Southeast Asia are the priority, with worldwide destination availability for the right booking.

Booking

Use the website booking form to share the room, date, and direction. Availability and requirements are confirmed case by case in writing.

ARTIST NOTES

A polished global set, held with intention.

VEYLOIRE RISING is pronounced vay-LWAHR.

Sound palette

Afro house / melodic house / tech house / polished global selections

Booking context

The project is designed for luxury nightlife, destination rooms, and tailored private events where tone, pacing, and a clear musical point of view matter.

Practical next step

Share venue details, city and country, intended date, event type, capacity, and budget range through the booking form. The technical rider is a starting point for production discussion; all terms are confirmed in the signed engagement.

This pre-launch press material describes the project direction only. It contains no historical performance record, commercial validation, or attendance data.
